亲爱的，

Welcome home!! I know it was a crazy tiring trip, and you are an amazingly strong and brave girl! You had to go through the stupid fuss about the plane and bags etc... so many scares : I hope you felt better with boar there with you girl :)

Yuyang, never in my life have I ever met someone with a heart as pure and as genuine as you. Right before you came into my life, I was a terribly lost soul, floating through the days not living for anyone in particular, not even my parents, not even God. I studied hard, and got good grades, sure... but I also sinned a lot, just lost in my own little world, in my own bubble, accountable only to myself. When I met you dear, little did I know that my life was about to be flipped upside down :)

你带给我很多快乐我从来没想过，从来没有经历过。 Every moment I've spent with you in the past few months has been more magical than I've ever imagined. I've never felt more alive, more loved, more cared for, and more appreciated in my entire life, than when you hold onto my arms and kiss me on the cheek, and look deep into my eyes and tell me that you love me (wuv me!) That feeling is what I think of every time I give you a "love you" shoulder hehe : That feeling is the magic that drives me and puts a smile on my face every single day, no matter how stressed I am :).

I know the process of how we got together ~~was~~ and how those few weeks happened was certainly unconventional, and really confusing, for both you and me. But hey, God never works miracles in conventional ways; nothing about a miracle is conventional, otherwise it wouldn't be called a miracle! We both had things to settle in our old lives, and things to sort out between ourselves and God, before we could fully dedicate ourselves to each other. Honestly, I felt like giving up on so many occasions, not because I lost hope or was impatient, but because I kept feeling that I wasn't doing the right thing, going after you. I was afraid that I would ruin your relationship then for no good reason: what if he really made you happier than I ever could? What if you weren't able to reciprocate the feelings I had for you? At that time, I really hated myself for not backing away, but I just had this burning feeling in me that told me I could not give up. 上帝叫我把你心安靜下來，慢慢等。我就每天不斷地禱告，希望過了一段時間，你會終於愛上我。你每天看我的樣子，我覺得你一點都不愛我是不可能的... 所以我就沒放棄！

The way things worked out between us, I just thank God for giving us the chance to be together. I don't regret a single thing, and I hope you don't either. (although every time I ask that question, you always "Humm... :)" hehehe) I love you :)

宝贝，对不起我的中文那么差。我知道能够说中文对你来讲是很重要的，所以我绝心尽全力来进步我的中文！我真的很希望能够给你的父母和朋友一个好印象，应为我以后想成为你家庭的一部分。我希望消除我们之间的任何障碍：这样我们才可以全心全意地彼此相爱。

我现在在理解理解和背“水调歌头”，看更多中文电影... 我也读中文书呢！(sooo hard...) Haha, 我现在一读英文字就觉得难过死了！宝贝说的中文最好听！Boor 最喜欢听心 呀~ 我好想念你，好爱你，雨阳心

There's so much to this wonderful gift of life that I want to share with you clear. Let's try our best to fulfill this relationship the way God wants us to, so that we will never let go of each other, and be able to spend the rest of our lives together, sharing all these amazing things :) We both undoubtedly made mistakes in our past relationships; but let us learn from them, and continue to push each other to be better people, better lovers, and above all, better citizens of the Kingdom of God!

I promise you that I will put my utmost all into this relationship, be forever faithful to you, and always do my part to never let you down, never let our love die, and never fail to be there for you when you need me. I will never take you for granted dear, I promise you with all my heart :)

Don't ever, ever forget how strongly my heart desires your love, your care, and your unwavering presence in my life <3

Hope everything is well back home, take care, God Bless, and I will see you really soon dear :)

Love always,
Isaac.

P.S. This paper feels very very weirdly tall, hoho.

P.P.S. I hope my Chinese is okay ; I tried really hard to correct the grammar and use the right words at the right time ; Sorry girl :)

Love,
Boar :)
